## Professional Summary

Enthusiastic and detail-oriented aspiring backend developer with a strong foundation in programming languages such as Python, Java, and SQL. Skilled in building and maintaining server-side logic, and databases through hands-on projects and coursework. Passionate about solving complex problems and optimizing system performance. Eager to contribute to a dynamic team, learn from experienced professionals, and grow as a backend developer. Committed to writing clean, efficient, and scalable code while staying updated with industry trends and best practices.

## Education

2024 - 2027

Galgotias University

**Bachelor of Computer Applications**

Artificial Intelligence & Machine Learning

## Hobbies

- **Drawing and Sketching:** Enhances creativity, attention to detail, and the ability to visualize and solve problems.
- **Reading Books:** Expands knowledge, improves critical thinking, and strengthens communication skills.
- **Coding:** Demonstrates a passion for technology, problem-solving, and continuous learning in programming and software development.
